

Simplified Generous Giving

We are glad to offer you Direct Bank Giving (DBG) and Automatic Giving by Credit Card (AGC), convenient methods of contributing financially to the mission of Pantego Bible Church. When you participate, your gift will be transferred at a specified interval by your financial institution directly to Pantego Bible Church.

Your gift will go further than ever before, because:

- Our income will be more predictable, allowing us to make solid commitments to new projects and current obligations.
- You may make your regular contributions and fulfill your faith-promise campaign commitments even when you are on vacation or are unable to attend the worship service.

As a participant in the program, you are still free to make additional gifts by check or cash as the Lord provides.

If at any time you wish to suspend your participation or make changes, simply notify our finance office in writing, and we will gladly accommodate you.

- **WHAT IS DBG/AGC, AND WHAT (ASIDE FROM MY CONTRIBUTION) WILL IT COST ME?**
Direct Bank Giving or Automatic Giving by Credit Card, a preauthorized amount that is automatically transferred from your bank account or applied to your credit card and deposited into PBC's account at a specified interval. You pay no fee for this service.
- **HOW DO I SIGN UP FOR ONE OF THE AUTOMATED GIVING OPTIONS?**
Submit a signed and dated Authorization Agreement Form (located below), along with a voided check for DBG or the credit card number and expiration date for the account from which you wish to make the contribution. You may submit the form and voided check (if applicable) by mailing/bringing them/it to the church finance office.
- **CAN AN AUTOMATED GIVING CONTRIBUTION BE CHANGED?**
Absolutely. Simply turn in any changes to the church finance office. All changes must be in writing, for security purposes. Please allow sufficient time to process the request.
- **WHEN WILL MY ACCOUNT BE DRAFTED/CHARGED?**
For DBG you may choose the 5th and/or 20th of each month. For AGC, you may choose weekly (7 days), bi-weekly (14 days) or monthly.
